

Version B

Column A Statements

"That's so gay."
"The only race is the human race."
"[To an Asian student] "Can you help me with my math homework?"
"[A White woman to a Black woman] "As a woman, I understand what you experience as a minority."
"No, where are you really from?"

Column B Possible Interpretations

Your experiences as a minority are no different from anyone else's.
Your appearance dictates your skills or knowledge.
You are not American.
Being gay is unacceptable.
I'm not racist, because I'm oppressed like you.
