

Millennial Activity Discussion Questions

1. Do you think your generational age group is a chronic social identity? Why or why not?
2. According to Social Identity Theory (SIT), Millennials should feel threatened by the negative paragraph. Why do you believe this is?
3. How do you think common stereotypes about Millennials are formed?
4. Have you experienced prejudice/discrimination against you because of your generational group? Explain.
5. Was there a difference in how you rated yourself (scale #3) and how you rated Millennials (scale #1) as a social group? If so, why do you think that happened?
