

Cultural Awareness Activity
Discussion Questions

1. Did this activity become competitive for most people in your group? Why or why not?

2. Do you think people's approach to this activity tells us about cultural influences on our own or others' behavior? Why or why not?

3. How easy or difficult is for us to recognize the ways in which culture influences our behavior?

4. Do you think the results of this activity would be different if most group members were from a collectivist culture compared to an individualist culture? Why or why not?

5. What is your favorite game? Is it a cooperative or competitive? Can you think of any games you played as a child (or an adult) that are not competitive? Did your previous game-playing experience influence how you approached the activity?
